Subject: Wildlife Habitat Council conference - proposals due by April 10th

Hi Frank,

Lynette mentioned that you were interested in additional proactive outreach to conferences, etc. (yay!), and I and another Skeo staff member are in the process of putting together a spreadsheet of potential outreach opportunities for your review.

One of the opportunities may be to take SRI's conservation easement presentation to the Wildlife Habitat Council conference in Baltimore on November 17-18. I looked at their topics and we would fit perfectly. I spoke to Bill and he thinks it is a great idea.

The deadline is April 10th. Would you like me to submit on behalf of SRI?

(My only concern is that it might overlap with the 2020 National Brownfield conference, but I can't find the date of that online. Anyone know when it is?)

With warm regards,

Kat West
